Please note our Data Processing Information on the following page.

## **INFORMATION REGARDING THE PROCESSING OF PERSONAL DATA OF PARTICIPANTS of the BIOTRONIK Preceptorship Program**

Pursuant to art. 13 of the European General Data Protection Regulation (GDPR), and in general in observance of the principle of transparency set forth in the GDPR, the following information regarding the processing of personal data is provided.

### **1. DATA CONTROLLER**

The Preceptorship Program will be organized by BIOTRONIK Vertriebs GmbH & Co. KG Woermannkehe 1, 12359 Berlin, Germany (BIOTRONIK), [info.vertrieb@biotronik.de](mailto:info.vertrieb@biotronik.de);

### **2. CONTACT INFORMATION OF THE DATA PROTECTION OFFICER**

For contact and specific information regarding the protection of personal data, including the exercise of the rights referred to in item 8, please send an e-mail to [privacy@biotronik.com](mailto:privacy@biotronik.com).

### **3. PURPOSE OF THE PROCESSING**

Your personal data will be collected and processed for the following purposes:

- Registration for and participation in the BIOTRONIK Preceptorship Program
- supply of program information;
- mailing of informative material;
- necessary follow-up activities.

### **4. LEGAL BASIS FOR THE PROCESSING**

The legal basis for the processing of your personal data by BIOTRONIK derives from your consent and/or the necessity of data processing for the fulfilment of the contract for participation in the above mentioned program.

### **5. TYPE OF DATA PROCESSED**

The following data categories may be processed for the above mentioned purposes (3.):

Personal particulars such as title, name/surname, date of birth, phone number, e-mail address, business address and other contact information, relevant work experience, relevant training requirements as well as curriculum vitae (cv).

### **6. PROCESSING METHOD AND LENGTH**

The data shall be processed:

- manually and through automated means, on paper and/or electronic records;
- by individuals authorized to perform such tasks;
- by using proper measures to ensure confidentiality and avoid access by non-authorized third parties;

The personal data collected shall be retained for no longer than is necessary for the purposes of managing the program activities mentioned in item 3.

### **7. RECIPIENTS OF DATA**

Data collected and processed may be shared with responsible BIOTRONIKs' sales companies, hospitals and clinics exclusively for the purpose of the Preceptorship Program reservation and participation procedure. Depending on the sales company, data may be transferred outside the European Economic Area (EEA). An overview of the sales companies can be found at: <https://www.biotronik.com/de-de/about-us/our-company/international-contacts>

### **8. RIGHTS OF THE DATA SUBJECT**

Pursuant to Section III of the GDPR, the data subject shall be entitled to exercise his/her right to:

- access personal data (will therefore have the right to have free information about the personal data held by the Data Controller, as well as to obtain a copy thereof in an accessible format);
- amend data (BIOTRONIK shall take care, upon his/her request, to amend incorrect or inaccurate data);
- withdraw consent (if he/she has consented to the processing, he/she can at any time withdraw their consent and such revocation of consent will result in the termination of the processing. The withdrawal of consent shall not affect the lawfulness of processing based on consent before its withdrawal);
- erase personal data - right to be forgotten (if there is no other legal basis for data processing);
- restrict data processing
- object to the data processing
- data portability (upon request of the data subject, the data shall be transmitted to the indicated subject in such format that the data can be easily consulted and used);
- lodge a complaint with a supervisory authority.
